Vulcan, Alberta

M. R. MORRISON, O.B.E.

M. R. Morrison Honored By Dealers Assoc.

Each year the board of directors and members of the Alberta Retail Implement Dealers Association choose one of their members to receive a plaque given by the Commercial Credit Corporation in recognition of hard work, initiative and service to his industry and community.

For the year 1963, the man so honored was Maxwell R. Morrison of Vulcan. The plaque was presented at the 19th annual convention of the Association and was accepted by Mr. Morrison's daughter, Mrs. W. A. Shields, on behalf of her father who at that time was a patient in a Calgary hospital.

The plaque reads: "Partnership for Progress Award, presented to Maxwell R. Morrison, O.B.E. of M. R. Morrison Ltd., Vulcan, Alberta, for his faithful service and contribution toward the advancement and progress of the Alberta Retail Implement Dealers Association, his industry and community, 1963".

M. R. Morrison commenced his business career in Ontario with the Bank of Hamilton. He was transferred to Melfort, Sask., in 1914 and to Cayley, Alberta, as branch manager in 1917. In 1927 he left the bank to go into the insurance business in Calgary.

Mr. Morrison started in the implement industry with the Oliver Corporation in 1930 and in 1931 moved to the Massey-Harris company. In 1939 he became Massey-Harris dealer in Lethbridge and in 1945 purchased the dealership at Vulcan, where he is still active as Massey-Ferguson dealer. He was a director and is a past president of the Alberta Retail Implement Dealers Association and director and past president of the Canadian Federation of Farm Equipment Dealers.

Active in church affairs, he was a Member of Session and on the building committee of the North Hill United Church, Calgary; a Member of Session of Southminster United Church, Lethbridge; and Clerk of the Session and secretary-treasurer of the Board of Managers of the Vulcan United Church for the past 16 years.

While in Lethbridge he was a member of the Kiwanis Club and was a chairman of the Lethbridge War Auxiliary Services Council. In 1946 he was awarded the O.B.E. (Officer of the British Empire) for his work in furthering the war effort, in a civilian capacity, during World War Two.

In Vulcan, he is a member of the Lions Club and past president of the Board of Trade. A member of the town council for 15 years, he has been Mayor of Vulcan for the past three years and still serves in that capacity. He is vice-chairman of the Vulcan Municipal Hospital Board and a member of the board of the Foothills Health Unit. He has been an active member of the Oddfellows Lodge for the past 49 years.

Winners were: Mrs. Sybil Wilson, Cassils; Ken Strand, Tilley; M. J. Dunne, Tilley, and Jack Gerhan, Lomond.

Services For Milo Resident, Evan Beechman

A well known resident of Milo, Evan Thomas Beechman, aged 63, died on Monday, April 6.

Born in Ireland, Mr. Beechman came to Winton, Ont. in 1911. He served as United Church Clergyman at Milo in 1927 and at Haynes in 1928. He returned to Milo in 1929 and had resided there since that time as operator of the Alberta Government Telephones exchange. He was a past master and secretary of the Milo Masonic Lodge and was secretary of the Village of Milo.

Besides his wife, Lorna, in Milo, he is survived by three daughters: Colleen at Brooks, Kathleen at Regina and Mrs. Mary Burgoyne, Calgary.

Services were conducted by Rev. D. A. Sharpe of Vulcan at the Milo United Church on Wednesday, April 8, and Masonic graveside rites were conducted at the Vulcan cemetery.

The Vulcan Funeral Home was in charge of arrangements.

Scout Association Auction Sale Very Successful

The community auction sale sponsored by the Vulcan Scout Association last Saturday evening turned out to be very successful, with the amount of about \$1,600 being realized.

Three auctioneers—Commodore Allen, Wally Franks and Tom Ruggles—were kept busy from 7:30 p.m. to after midnight selling a variety of articles donated by residents of the town and district. Proceeds will be used for the work of the local Scout group and towards the construction of the new Scout and Cub "Camp Impessa" at Pincher Creek.

Telephone Clinic Well Attended

Approximately 300 were present to take in the instructions provided at the telephone conversion clinic held in the County Central High School Auditorium Tuesday evening. A very informative program on the mechanics of telephoning was conducted by the Alberta Government Telephone personnel through the medium of lecture, film and demonstration.

Former President

Flying Farmers Award Presented Posthumously To Lionel Lucas

At the annual convention of the Flying Farmers of Alberta, held in Lethbridge last weekend, the coveted Alberta Flying Farmer of the Year award, given to "the person who made the most outstanding contribution to the chapter during the year" was presented posthumously to Lionel Lucas of Vulcan, who died in a light plane crash near Vulcan in July 1963, shortly after being elected as president of the Alberta Chapter of Flying Farmers International.

The award, donated by the TransAir Co., was received by Mr. Lucas' parents, Phil and Althea

Road Traffic Snarled As April Storm Hits

Light rain Saturday night was followed by snow and dropping temperatures and by Sunday morning a full-fledged April blizzard was in sway, lasting well into Sunday night.

Chain Of Lakes Storage Project For S. Alberta

The Minister of Agriculture, the Honourable Harry Hays, has announced that P.F.R.A. will start during the coming summer on the construction of the Chain of Lakes water storage project in Southern Alberta.

This is a multi-purpose water storage project which will ensure adequate supplies of water for a large livestock population in the area, for domestic use, and for irrigation. It will also protect against flooding from Willow Creek and Stinson Creek, and as an ancillary benefit will provide water supply for several towns in the area.

Preliminary investigations for the project have been completed. Detailed surveys will be started immediately, with construction to start on the completion of these. It is expected that the project will be finished in late 1965. The total cost of the project is estimated at \$700,000.

Regular Meeting Keystone Class

The Keystone Class, ladies' missionary circle of the Church of Christ, Vulcan, met April 2, at the home of Mrs. R. Pelham. Thirteen members and one visitor were present.

The 8th Chapter of Acts was read. Mrs. Donald Smith brought the message, taking for her text, John 20, verses 24 to 29 and 1st Corinthians 15: 1 to 4.

Mrs. Pelham read a report concerning Bibles in Russia and a sum of money was sent to the fund for Bibles. A letter from Howell Rees, Hong Kong, was read and a parcel of certain kinds of food will be sent.

A sum of money for the Miles Ruark work in Alaska was sent.

A delicious lunch was served by the hostess.

Driving snow cut visibility down to a few yards and combined with icy highways to completely snarl road traffic by early Sunday afternoon, particularly on Highway 2 but also on Highway 23, where dozens of cars were abandoned as their occupants sought shelter in the towns or in farmers' houses. Many minor accidents occurred, most of the variety caused by one car stopping and a following car ploughing into it from behind. Four cars were involved in one such mishap just a few miles north of Vulcan and many other similar incidents were reported. Tow trucks and RCMP patrol cars were kept busy all day rescuing stranded motorists.

A buildup of ice on power lines caused serious power interruptions. In Vulcan, power was off from 11:00 a.m. to 3:30 p.m., off again for an hour and a half during early evening and again for about an hour during the night. In the country, many farms were without power from early Sunday morning until about Monday noon. Telephone service also suffered as the ice load caused wires to break and Calgary Power and AGT crews put in a long, exhausting day.

Total moisture measured in Vulcan from the weekend rain and snow was just one-half inch, with a bit more reported west of town. The wind piled the snow in great drifts, leaving most fields relatively bare, but what moisture was received was welcome and the runoff will help fill dugouts and sloughs.

Warmer weather appears to be returning; it was 45 above on Tuesday and a high of 55 above was forecast for Wednesday.

Convention At E.U.B. Church

Miss Myrtle M. Lefever will be the guest speaker at the Women's Society of World Service Convention to be held in the Vulcan E.U.B. Church, April 14-16.

Miss Lefever has served as a missionary in the Orient, (Hong Kong in particular) since 1926.

Delegates attending will be representing missionary societies from the four Western Provinces.

Public services will be held April 14 and 15. Business sessions during the day will occupy the delegates and visitors present. Approximately 100 delegates and visitors are expected to attend.

Heavy Agenda

Regular Vulcan County Council Meetings Held

SCHOOL COMMITTEE MEETING

The regular March meeting of the School Committee of the County of Vulcan No. 2 was held on Monday, March 16. Committee Chairman J. M. McKay presided, and Committee members Frank Thurber, A. McAlister, Earl Erickson, R. O. Bertrand, George Moses and Guy Vosey were present. Also present was D. D. McQueen, secretary-treasurer.

Representatives from J. Stevenson & Associates, Architects, in charge of the Central High School Addition, were present at the meeting and discussed with the committee the color scheme to be used throughout the outside and inside of the new addition. After discussing various color combinations, it was decided that the color scheme should be left entirely in the hands of the architects.

The secretary read a note from Don Stevens of J. Stevenson & Associates, Architects, in respect to an inspection at the Lomond school. Mr. Stevens had inspected the chimney and the acoustics in the gymnasium, but was not at the moment ready to make a report to the committee.

A letter from the secretary-treasurer of the Armada United Church, offering the sum \$25 for the old piano in the Armada school, was read. It was moved and carried that this offer be accepted.

A letter from the Lomond Home and School Association in respect to the library grant of \$50 to each room was read. The letter urged the committee to increase the grant to \$100 per room. It was moved and carried that this matter be tabled for this year.

The following bids were received for Lot 6, Block 5, Plan 8011 E.F. Mossleigh, being the Mossleigh teaching: A. A. Brousse, \$600 cash, and Elmer Jones, \$400 payable \$50 cash and the balance at \$25 per month.

It was moved and carried that the School Committee recommend to the County Council that Lot 6, Block 5, Plan 8011 E.F. Mossleigh be sold to A. A. Brousse for the sum of \$600 cash.

A letter from the Lomond Home and School Association, requesting that plans of the new Vocational Wing at Vulcan be displayed at Lomond and an explanation of the new facilities given to the Home and School Association. It was decided that Mr. McAlister would arrange for this meeting.

Letters from the secretary of the Arrowwood Home and School Association and the secretary of the Vulcan County Home and School Council, in respect to an opportunity room, were read. The letters urged that the committee seriously consider the institution of special training for backward students. The committee members took note of the information in the letters, and it was felt that this problem was having the consideration of the School Committee and school officials, and that the committee will keep this matter in mind for future study. It was also suggested that Mr. Hawkesworth, Superintendent, make a survey and study of the opportunity room needs.

The secretary presented lists of equipment to be used in the vocational wing, 100% Federal grant equipment and 30% Federal grant equipment. After studying these lists, it was moved and carried that the lists be recommended to the Department for approval.

A letter from the Faculty of Education in respect to refresher courses for teachers was read. The letter pointed out the need for some assistance to teachers who desire to take refresher courses during the summer at the University, and urged that the County of Vulcan adopt a plan of financial

assistance to selected students. It was suggested that Mr. Hawkesworth, Superintendent, make a survey of teachers to ascertain the number who would be interested in such a project.

It was moved and carried that the committee authorize the rental of the porta-home at Carmangay to two Carmangay nurses, on the understanding that it would be vacated immediately if the County required it for teacher occupation.

An application from the Lions Club to rent the High School auditorium on May 6, in the evening, for the purpose of the University Choir, was considered. It was moved and carried that permission be given to the Lions Club to use the auditorium on May 6, 1964, at the regular rental of \$25.

It was moved and carried that the County of Vulcan purchase nine Black & Decker vacuum cleaners from Taylor, Pearson and Carson Ltd. for the sum of \$1,717.74.

It was moved and carried that principals be instructed to submit lists of books and equipment required for consideration.

The secretary read a letter from Donald Soby in respect to piano tuning. Mr. Soby offered to tune the pianos yearly for the sum of \$12 each less 10%. It was moved and carried that the County of Vulcan enter into this contract with Mr. Soby for piano tuning.

The following resignations were read: Miss Dixie Morrison, W. Highcock and Mrs. Charlotte Dickinson.

It was moved and carried that these resignations be accepted with regret.

It was moved and carried that the county grant leave of absence without pay from the teaching

assistance to selected students. It was suggested that Mr. Hawkesworth, Superintendent, make a survey of teachers to ascertain the number who would be interested in such a project.

JUNIOR F.U.A. REPORTS

Buffalo Hills Jr. F.U.A.—

The executive meeting preceding the regular April meeting of the Buffalo Hills Jr. F.U.A. was held on March 31, at the home of Joan Papp. A brief opposing the Hutterite colony at Brant was prepared and sent to the Communal Properties Board. The members presented Phillip Bertrand, who has moved to Claresholm, with a gift for his co-operativeness in the Jr. F.U.A. projects.

The regular meeting of the Buffalo Hills Jr. F.U.A. was held on April 4, at the Winch home. Mrs. Scott reported on the Hog Marketing Board and a discussion followed.

Many people were in favor of sponsoring a Stampede Queen at the Milo Race Meet this year. They are also interested in representing the Jr. F.U.A. Local by entering floats in the Milo and Calgary Stampedes.

A new director was elected to take the place of Phillip Bertrand. He is John Monner.

The next executive meeting will be held on May 3, at the home of Joyce McCallum.

The May meeting will be held on May 9, at the home of Paulette Robertson. Members are asked to bring their hootenanny songs and float suggestions.

If you think the world owes you a living, hustle out and collect it.

Four Winners At Bow City

Bow City's 13th annual Ice Derby dance was held April 3, in the Community Hall to the music of the Rangeland Five of Lomond.

It was erroneously reported the ice went out that night. The river stopped the clock at 4:07 p.m. April 4. The popular guess of the fourth month, fourth day, fourth hour and fourth minute finally paid off for four winners who tied for first place.

Winners were: Mrs. Sybil Wilson, Cassils; Ken Strand, Tilley; M. J. Dunne, Tilley, and Jack Gerhan, Lomond.

Third event winners at the recent annual mixed bonspiel of the Lethbridge Curling Club, skip Ray Wellman of Vulcan and his wife

Kids' Night Is Ever Popular

Kids' Night, sponsored by the Vulcan and District Fish and Game Association, has become a popular feature of Easter holiday week and it drew 70 enthusiastic youngsters plus many parents at the Vulcan Cafe on Wednesday, April 1.

The evening was filled with colored outdoor films shown by projectionist Howard Spaeth and these were interspersed with about two dozen lucky draws. Quantity took precedence over quality in the value of prizes drawn for but

the eyes of lucky ticket holders popped just as wide for a small trinket as they would have for a TV set, when their number was called.

Fish and Game president Glen Dahl welcomed the youthful crowd during a brief lull following the first film and encouraged those old enough to give thought to joining Fish and Game. He described the trophy competitions open to all members and outlined some of the aims of Fish and Game.

Junior memberships are available at half the adult price.

Bill Holton, chairman of the Kids' Night committee, told of a bird house building campaign sponsored by Fish and Game. This is designed to increase the bird population in this area and all youngsters were asked to build a bird house this spring.

Top prize of the evening, a bowl of goldfish, was won by Mae Wong.

At the conclusion of films soft drinks and hot dogs were served to the hungry young crowd.

A QUARTER-CENTURY OF EAST-WEST AIR SERVICE

Passengers disembarking from a 131-passenger Trans-Canada Air Lines' Douglas DC-8 jetliner in Montreal after a six-hour flight from Vancouver provide striking contrast with passengers leaving a 10-passenger Lockheed 14H2 at Montreal in 1939 after a 16-hour flight from the West Coast. On April 1, TCA celebrated 25 years of cross-Canada air service between Vancouver and Montreal.

THE HOMEMAKER

Miss Margaret McLachlan

District Home Economist

Box 40, Claresholm — Phone 235-3242

Do you have a laundry problem? Many homemakers do. With all the new fabrics on the market and all the new cleaning and laundry compounds, it's small wonder many homemakers are confused!

For good laundry results, however, the procedure is still the same. Perhaps you are relying too heavily on your washing machine, or other laundry aids. Maybe you should look to your method.

Proper sorting is a must—Sort for the degree of soil, keeping lightly soiled clothes in one load, heavily soiled clothes in another. Wash non-colorfast garments, or those which are questionable, separately. Sort as to fabric: cottons and linens, silks and woolsens and synthetic fabrics. White synthetics should always be washed separately as they tend to pick up dye from other garments. Separate lint producers from dark loads.

Careful preparation is important—Mend before you wash clothes, empty pockets and cuffs, close zippers. Pretreat heavily soiled areas such as collars and cuffs and knees of children's clothes with a brush and a solution of your laundry detergent or soap. Remove stains. Write to me for the bulletin, Spot and Stain Removal, for helpful suggestions on the removal of common spots and stains. Soft water, relatively free from iron, gives best results. Soap film caused by hard water dulls color, causes white clothes to appear

grey, makes fabrics feel harsh and stiff and may reduce the wearing qualities by stiffening the individual fibres so that they break when creased or strained. You can soften your wash water with packaged chemical softeners. In order to be effective, at least the first rinse must also be softened.

If your laundry problem results from iron in the water, the water softener Calgon will assist in keeping it in suspension, if the iron content is not excessive. The most satisfactory solution for excess iron is the installation of an iron remover. A word of caution: Chlorine bleaches should not be used in water containing excess iron.

Use the correct temperature of wash water—Heavily soiled white and colorfast cottons and linens require a wash water temperature of 140-160 F. degrees. This temperature is required to remove oily and greasy soils, to release all types of soil which become embedded deeply in fabrics, to dissolve soap and detergent and to destroy bacteria.

Lightly soiled, non-colorfast garments and delicate fabrics, wash and wear cottons require warm water.

Save those labels—Your best guide to the proper laundering of any article is the washing instructions on the label. Be sure to note on the label the garment to which it belongs and follow the washing directions.

Carmanagay

Visiting with Miss Patty Ewing brother, Joe Williams of Carmanagay.

for the Easter week holiday were Norma Elkendors, Beverley Service and Robbie Niven, all of Lethbridge.

Friends were sorry to see Dennis and Shirley Roemmele leave Carmanagay, but all wish them well in their new home at Olds.

Mr. and Mrs. James Lee are away for a few days vacation.

Miss Sandra Kryzanowski spent a few days at Champion with Mr. and Mrs. John McDougall and Peter.

Mrs. Hettie Teskey spent a few days at Calgary at the home of her son and daughter-in-law during Easter week.

Mr. and Mrs. Syd Thompson were Calgary visitors for the Easter season.

Weekend visitors at the Church home were Mr. and Mrs. G. L. Moore and boys of Creston.

Some local Lions and their wives attended the Charter Night at Milo recently.

Also visiting Mr. and Mrs. Roy Church recently was Glenda Sidor and son.

MRS. LILA THOMPSON

Word has been received here of the death of a pioneer of the Bowville district, Mrs. Lila Thompson, who came with her father to Canada in 1905. She would have been 77 years old on April 4, but her passing occurred on March 29, at Oakland, Calif.

Mrs. Thompson is survived by her husband, Frank; a daughter, a granddaughter, a grandson and three great-granddaughters and a

ARROWWOOD

Mrs. Bud Brooks, Karen and Glen spent the Easter weekend with her parents, Mr. and Mrs. S. Pearson at Kimberley, B.C.

Mr. and Mrs. Howard Schmidt and girls spent the Easter weekend with her parents and relatives at Yakk, B.C.

Mr. and Mrs. Fred Miller, Mrs. Thelma Beagle and Mr. and Mrs. J. Deeter and son were guests at the home of Mr. and Mrs. Mervin Norton this past week.

Bryon Norton had several friends in for his sixth birthday on March 31.

Mr. and Mrs. Bert Williams left Monday by bus for Eastern Canada to pick up new trucks.

Mr. and Mrs. Douglas Messinger from Astoria, Ore. have been visiting with Mrs. Howard Messinger.

Several people from the district are attending the Horse Sale in Calgary this week.

Congratulations to Mrs. Louise Campbell on her marriage to Mr. Neville of Vulcan.

Donna Williams and Myrna Fraser curled in Strathmore on Saturday at a Hi-C bonspiel with young people from the other towns taking part.

The local FUA held a Hog Marketing Board meeting in Arrowwood on Wednesday night with a good attendance.

Get well wishes go to Betty-Ann Cockwill who had the misfortune to crack a bone in her leg and having to spend the better part of the Easter holidays in the hospital.

Donna and Cheryl Williams spent a few days in Calgary with their grandmother.

Mr. and Mrs. Mark DeWitt have had their grandchildren with them for a few days while their parents, Mr. and Mrs. Dick Newman had a few days holidays.

Mr. and Mrs. Frank Wyatt, Mr. and Mrs. Bob Seeley, Mr. and Mrs. Bert Setters and Mrs. Leigh Wil-

liams were the Lions and their wives from Arrowwood who attended the Milo Charter Night.

F.W.U.A. MEETING

FWUA held their regular meeting on Wednesday. The attendance was small due to so much flu and measles in the district.

The regular business was dealt with and reports given on the Sub-district 5 Convention at Milo. Mrs. Bev. Clements gave a very interesting report on India and had several items for display. Norman Ward gave several accordion numbers for entertainment. Lunch was served by Mrs. Sheila Burger and Mrs. Laqueeda Norton.

The next meeting will be May 6, and there will be a lady speaker from Calgary, who works on the Juvenile Courts. This should be very interesting and it is hoped everyone can attend.

Would everyone please pass word around about the pre-sale of the history book of the district; April 10 is the dead-line and there will only be one printing.

ENSIGN

Mr. and Mrs. Bill Brown and their two grandsons, Michael and Donnie Loose from Magrath were visitors to Calgary last Thursday. On Saturday they motored to Lethbridge, the boys returning home after a week's holiday with their grandparents.

Mrs. Jean Fisher, Grant and Bobby, Mrs. Molly Fisher, Mrs. Vi Hagen and Mrs. Odile Paton were visitors to High River last Friday.

The severe blizzard on Sunday caused a power shortage in the district for 12 hours on Sunday and for several hours on Monday. Those with early chicks were busy fixing some other method of heating and lighting their brooder houses.

LADIES COMMUNITY CLUB

The Ensign ladies community club held their meeting on Wednesday, April 1, with 11 members and three visitors present. The roll call was answered with each member bringing a small grab box.

It was decided that the club would raffle a record player at the annual fall turkey supper and to hold a card party the first part of April. Correspondence was a thank-you note from The Woods Christian Home for the Easter treats that were sent for the children.

The surprise box was donated by Mrs. Molly Fisher and won by one of the visitors, Mrs. Earl Mote. Before lunch was served the grab boxes were passed around and everyone received a small April Fool gift. The kits for the cancer drive were handed out to those who volunteered to canvas the district.

Lunch was served by Mrs. Nellie Mote and Mrs. Odile Paton. The next meeting will be held on May 6, lunch to be served by Mrs. Ora Brown and Mrs. Rose Toews, surprise to be donated by Mrs. Vi Hagen.

NITRATE POISONING OVERPLAYED

There is little or no risk of nitrate poisoning involved in the use of nitrogenous fertilizers at recommended rates, says the Alberta Advisory Fertilizer Committee.

This fact is substantiated by studies in Wisconsin and elsewhere in the United States. It should alleviate any fears caused by recent reports that nitrogen fertilizers are likely to be the cause of nitrate poisoning in this province.

The committee points out that reports from Wisconsin, where the problem has been carefully studied, indicate poisoning results from use of feeds high in nitrates (over 0.5%). Among the conditions that may cause these high nitrate levels are drought, lack of sunlight, poor and crowded growing conditions, weeds with a high nitrate content such as nettles, pigweed, lamb's quarters and goldenrod, special conditions of temperature and humidity during curing or storage, and high nitrate levels in the soil. These conditions may occur whether or not nitrogenous fertilizers have been used. Further research will be needed to discover the final answer to the problem.

The rate of application of straight fertilizers, recommended in Alberta by the committee, is from 25 to 80 pounds per acre of nitrogen. Very few farmers are using more than 50 pounds of elemental nitrogen per acre. When coupled with phosphate, up to 54 pounds of nitrogen is suggested for certain soils and crops. It is unlikely that such small amounts would cause nitrate poisoning unless abnormal conditions in the soil or climate existed at the same time.

The committee has no hesitation in pointing out the danger of fertilizers when eaten by livestock. Nitrate fertilizers, which have been split on the ground or left where animals can get at them, might well lead to nitrate poisoning. Anyone using fertilizers should make

Apply now for your Social Insurance Number

Your government is issuing Social Insurance Number Cards in place of the unemployment insurance numbers that most employed people have had until now. The new numbers will help government to use modern office methods for greater efficiency in handling unemployment insurance, and also other social benefits such as proposed pension plans.

For these reasons, you are invited to apply for a Social Insurance Number, even if you are not a contributor to the unemployment insurance plan.

IF YOU ARE AN EMPLOYEE your employer will give you an application form. Fill it out and return to your employer promptly.

IF YOU ARE UNEMPLOYED and drawing unemployment insurance benefit you will complete an application form when you report to the U.I.C. in person or by mail.

IF YOU ARE AN EMPLOYER registered with the Commission, you will receive application forms automatically. If NOT registered with the Commission, please get in touch with your local U.I.C. office so that forms may be sent to you. Distribute application forms to your employees, have them completed and return them promptly together, not individually, to the Commission.

BLACKIE

Mr. and Mrs. Milt Finley held a family gathering at their home on Easter Sunday with 26 relatives attending, including their sons and daughters, Larry, Mr. and Mrs. Jim Finley and daughter Yvonne, Mr. and Mrs. Roy Meadows and family all of Blackie; Mr. and Mrs. Andrew Greenfield and family of Rosebud, and Mr. and Mrs. Larry Krutzer and family of Calgary. Also attending were Mr. Finley's brothers, John of Anzac, Alta., Harry of Vancouver and sister, Miss Marguerite Finley of Ottawa. It is the first time for 47 years that the three brothers and sister have been together at the same time so there were many hours spent visiting about old times.

Miss Finley travelled to Vancouver for a week but will return here Sunday for a few days holiday before returning to her home in Ottawa.

Friends of Mrs. Vern McKeage, a patient in the High River Hospital, wish her a speedy recovery.

Easter guests at the home of Mrs. Bea Stearns were her sons, Neil of Lethbridge and Don as well as Don's wife and family, all of Calgary. Neil Stearns has now completed his course in barbering and his mother is very pleased

that he will continue to assist her on Mondays in her shop here. He will also be in charge of the barber shop here during her absence during the month of May.

Mr. and Mrs. Clio Dupn and son, Kevan of Rolling Hills were overnight guests at the home of Mrs. Margaret Gier.

Carol Soderquist spent part of the school holidays with relatives, Mr. and Mrs. Keith Soderquist and family in Calgary.

Friends in Blackie of Mr. and Mrs. Norman Russell of Calgary are pleased to hear that they have won an all expense paid trip to Mexico because of his outstanding sales record with the insurance company with which he is employed. Mr. and Mrs. Russell left on Thursday on the ten-day holiday.

Grant Alger of Lethbridge is a guest at the home of his friend, Calvin McDougall.

Mr. and Mrs. Doug Pakenham of Banff accompanied by Miss Lee Neufeld of Calgary, were guests at the home of Mr. and Mrs. Jimmy Montgomery.

Mrs. Mildred Prusky and son, Gordon Prusky of Strathmore, were visitors at the home of her sister, Mrs. George Bayford.

Miss Sandra Brown of Calgary is spending the Easter holidays at the home of Mrs. Mel Clingman.

Mr. and Mrs. Dalton McDougall and family motored to Banff to spend the weekend at the home of his brother-in-law and sister, Mr. and Mrs. Herman Stettner.

Weekend visitors at Butte, Mont. were Mr. and Mrs. Jim Stier.

Holiday visitors at the home of Mr. and Mrs. J. D. Eamora were their son-in-law and daughter, Mr. and Mrs. Elroy Davies and family of Regina.

Guests at the home of Mr. and Mrs. John Soderquist and family were his cousins, Mrs. Dorothy Schlegel and daughter of Cutbank, Mont. and Mr. and Mrs. Ira Weaver and family of Kalispell, Mont. Mel Clingman spent the week in Regina attending a lumber yard manager's convention.

Mrs. Bill Callis is on holidays from the Royal Bank and during her absence, Mrs. Doug Lindquist is working there.

Friends of Wilfred Wark wish him a speedy recovery. He is a patient in the Colonel Belcher Hospital, Calgary.

Wayne Wilderman is now home from the Olds School of Agriculture having completed his second year there. Congratulations are extended to him, for the high marks he received in the finals for having been chosen to receive the special Service Award, presented to students, not only for their marks, but also for outstanding service to the school. Graduation exercises will be held in June.

Miss Heather Robson of Calgary was a guest for the Easter holidays at the home of Mr. and Mrs. Homer Wilderman.

Curling in the Oddfellows Bonspiel in Calgary on Saturday and Sunday were Hec McLean, Alton Parker, Harry Weber, Bob Bateman, Bill Knapp, Walter Wilderman, Ed Prater and Charlie Sultor.

Mr. and Mrs. G. R. Howden accompanied by their daughter, Mrs. John Montgomery and daughters, holidayed during Easter with relatives at Devon, Edmonton and Ponoka.

Get well wishes are extended to Joe Cassidy, a patient in the High River Hospital.

Dwayne Whillans has been promoted to grain buyer and is in charge of the Alberta Wheat Pool elevators at Durwood. He has been helping Lee Tucker in the eleva-

tor here for the past four and a half months. He and his family have moved their trailer home to Nanton and Dwayne will commute to his work at Durwood.

CHAMPION

Mr. and Mrs. A. Degenstein and Jacquie visited with Able Seaman Blain Degenstein at Victoria last week. Blain had just returned from a South American cruise. While there Mr. and Mrs. Degenstein also visited with Mr. and Mrs. Charlie Taylor and Mr. and Mrs. Bill Alsdorf, who asked to be remembered to all their friends in Champion.

Mr. and Mrs. Cliff Miller and Mr. and Mrs. Livio Pasoli and Kenny visited in Edmonton over the weekend.

Mrs. Pete Olson and Sharon, Mrs. Don Clifford and Colleen were Calgary visitors on Thursday of last week.

Allen Buchanan is a patient in the Vulcan Hospital. Friends hope that he will soon be able to come home. Bruce Hopkins had his tonsils out in the Carmangay Hospital last week.

Master Timmy Fath entertained a number of little friends on Friday of last week, the occasion being his seventh birthday.

Mrs. Lenchuch is once again staying at the home of her son-in-law and daughter, Mr. and Mrs. Elmo Fontana.

The annual meeting of the Champion Public Library will be held in the library on Thursday, April 9, at 8:00 p.m.

Anyone having news items that they would like to see in the paper are asked to kindly phone 73. All of your help would be very much appreciated, several items have been missed but if I am not contacted I don't hear about them until its too late. There are a lot of people not living in the district any more that look forward to the paper. It's their way of keeping in contact with old friends.

On Wednesday, April 1, Mr. and Mrs. Bob Alexander had as overnight guests their daughter, Mrs. Hazel Macnab and children, Mickey, Michael and Randy from Vermilion, Alta.

BIRTHDAY DINNER

On Sunday, March 29, Mrs. Virgil Vaughn was honored at a birthday dinner at the home of Mr. and Mrs. Bob Alexander.

LETTER TO EDITOR

Editor, The Advocate:

Here in Alberta we just think we don't have a racial problem. Actually we have two and we are going in completely opposite directions in endeavoring to settle them. We are trying to integrate the Indians with the rest of society and slowly, in one way and another, coax them to leave the reserves and their communal way of life.

On the other hand we are making no attempt whatever to integrate Hutterites with the remainder of society and, if not actually encouraging certainly not discouraging their communal way of life. It seems to me that Indians, if only because this was their native land before it was ours, deserve much more assistance and consideration than Hutterites. Legally and morally we are much more obligated to the Indians than to the Hutterites.

The fact that many Indian children are leaving their formerly segregated schools to attend schools with other children is considered, by Indians and other people, one of the biggest steps forward in the advance of the Indians, socially and economically.

Everyone, except the Hutterites themselves, feel that the single biggest answer to the so-called Hutterite problem would be integrating Hutterite children in schools with other children. But no one is doing anything about it.

I fail to see why we have any particular obligation to make special concessions to Hutterites, yet we do. We recognize that Hutterites represent a problem, perhaps

even a threat to our way of life, yet we tip-toe around the issue and our government representatives seek to ignore it.

After white men came to Canada the Indian population suffered a severe decline, which it has only recently began to recover. Yet the Indians never were any real threat to our way of life. Since the arrival of the Hutterites everything possible, the best medical care included, has been provided to increase the Hutterite population. It has now reached the point where the growth of the Hutterite population may overwhelm us and our way of life. And apparently the ordinary person, who thinks rather highly of his particular way of life, is powerless to do anything about the population deluge which is almost bound, in time, to sweep away his society.

I have no personal quarrel with the Hutterites. I would not choose their manner of living and it is their business until it reaches that point where it becomes a very real threat to the way in which a number of us prefer to live.

We get to feeling very smug, self-satisfied and fortunate about our freedom from racial and religious problems here in Alberta. It's time we came fully awake and realized that we have one of the biggest racial-religious problems shaping up anywhere on the continent. Unlike some such problems, there is a solution for ours. But so far no one is doing more than just barely recognizing what the solution is.

Fears that moderate civil defense will adversely affect our national psychology, upset the psyche of children, generate belligerence or division among our people, are not supported by the evidence. On the contrary, countries such as Switzerland and Sweden, with more experience in civil defense, have found it a healthy civic undertaking contributing to a sense of national unity and duty.

LEGAL NOTICES

COUNTY OF VULCAN NO. 2
Vulcan, Alberta

NOTICE—

UNDER THE EXPROPRIATION PROCEDURE ACT

Public Notice is hereby given that the Council of the County of Vulcan No. 2 proposes to introduce a by-law under the provisions of Part II of The Expropriation Procedure Act, being Chapter 30 of the Revised Statutes of Alberta, 1961, at its meeting to be held on Friday, April 17, 1964, at 2:00 o'clock in the afternoon, for the purpose of expropriating certain lands in the extreme northwest corner of the NW 1/4 34-14-22-W4th, containing 1.45 acres more or less. That a Plan of Survey is on file in the office of the Secretary-Treasurer of the County of Vulcan No. 2, Vulcan, Alberta.

The purpose for which the land is to be used by the County is for the construction of a highway. That the County of Vulcan No. 2 is ready to pay to the Registered Owner the sum of Two Hundred and Fifty Dollars (\$250.00) as compensation for the land and any alleged damages.

The owner is entitled, before enactment of the by-law, to make representations to the County and set forth his reasons why the land should not be expropriated.

The amount of the compensation for the land will be ascertained and fixed by the Public Utilities Board at a future date. Dated at Vulcan, Alberta, this 31st day of March, A.D. 1964.

D. D. McQUEEN,
Secretary-Treasurer,
County of Vulcan No. 2

POWER SERVICE AND THE STORM

A special message from Calgary Power Ltd.

Calgary Power deeply regrets the hardships and inconvenience caused this past weekend by one of the most destructive ice storms experienced in our province in 30 years.

The unusual nature and severity of this major storm caused extensive and widespread damage to power transmission equipment.

This damage was due to the unusually heavy and clinging mixture of snow and rain, and to the critical temperature at the start of the storm. Had this temperature been a few degrees higher or lower, the damage would not have occurred.

This combination of circumstances caused a tremendous build-up of ice on our power lines. Although designed to withstand the worst WINTER conditions, many conductors broke under the strain of this spring ice build-up — experienced on only two other occasions over the past 30 years.

To reach and repair the damage, Calgary Power crews have labored around the clock, in some areas carrying equipment through snow drifts in excess of six feet. At Calgary Power we are deeply concerned about the hardships experienced by our customers, and assure them that everything humanly possible has been done to restore service in the stricken areas.

Fort Macleod Wedding For Clarence Mote

Arrangements of white chrysanthemums and red carnations decorated Trinity United Church, Fort Macleod, and red and white bows marked the pews for the afternoon wedding on March 7, of Jo-Ann Doreen Brooks and George Earl Mote. The bride is the daughter of Mr. and Mrs. Elbert M. Brooks of Fort Macleod and the bridegroom is the son of Mr. and Mrs. Clarence Mote of Ensign.

Rev. Greenough officiated at the double ring ceremony and the organist was Mrs. Lillian McLean. The soloist, Doug Motter of Calgary, sang The Lord's Prayer. The bride, who was given in marriage by her father, wore a white floor length gown of slipper satin. The gently scooped neckline was arrayed with tiny pearls. Two rosettes emphasized the fullness at the back of the gown as it fell gracefully to the floor ending in a short train. A crown of seed pearls and aurora borealis held a shoulder-length veil in place and she carried a white bible topped with a white orchid, red and white roses and white satin streamers with red rose petals.

The bridesmaid was Miss Gayle Fisher of Fort Macleod. Her gown was of white slipper satin featuring an empire waistline and she wore a necklace of cultured pearls. A red pillbox hat held in place her shoulder-length red veil and she carried a bouquet of red carnations and white roses.

The groom was attended by Billy Cutforth of Vulcan as best man and ushers were Art Chilton and cousin of the groom, R. D. Gothard of Nanton.

The reception was held in the New Palomino with Dr. John Walker as Master of Ceremonies. He called upon Pete Wiebe to give a toast to the bride, to which the groom responded. The toast to the maid of honor was given by the bridegroom, to which Billy Cutforth replied. The toast to the bride's parents was given by Billy Cutforth, to which Mr. Brooks replied. Murray Brooks, brother of

MOTE — BROOKS

the bride gave the toast to the parents of the bridegroom.

For her daughter's wedding Mrs. Brooks chose a turquoise dress with beige accessories. The mother of the groom wore a pink suit with white accessories.

Guests from out of town came from Vermilion, Didsbury, Calgary, Carstairs, Ensign, Vulcan, Lethbridge and Nanton.

Mr. and Mrs. Mote are to reside in Ensign.

Regular Vulcan County Council Meetings Held

(Continued From Front Page)

staff of the county to: Mrs. Velma I. Booth, Mrs. Ann Carlson, Doug Scotney and Miss Kathleen Knive.

It was moved and carried that the following appointments be made to the County of Vulcan teaching staff, effective September 1, 1964: Mrs. Hazel B. Meadows — Mossleigh, Miss Carolyn Anne Reid, Miss Barbara Jane Knowles, Miss Marilyn Lawson, Mrs. Sylvia Lebsack — Champion Grade II, David C. McGraw, Gary Bertrand, Josef Iszak, Gary Jopling, Miss Marjorie Ross and Edward J. Tokarchik.

COUNTY COUNCIL MEETING

The regular March meeting of the Council of the County of Vulcan No. 2 was held on Friday, March 20, at 10:00 o'clock in the forenoon. Reeve Jack Deitz presided, and the following councillors were present: F. E. Hubka, A. W. Ulrich, Ivan Haga, R. S. Irwin, Earl Erickson, M. Willard, A. McAllister, J. M. McKay, F. N. Thurner and Donald McNiven. Also present at the meeting were R. O. Bertrand, school committee member from Milo, George Moses from Champion and Guy Vaisey from Vulcan and D. D. McQueen, secretary-treasurer.

The first order of business was the receiving of reports from a special team of school superintendents which had made a survey and inspection of the County Elementary Schools and teaching staff. The following superintendents were present: Lorne Stewart, Claresholm; Dr. J. Church, Brooks; S. Simpson, Foothills School Division, High River; S. Hooper, County of Lethbridge; L. Harding, assistant superintendent, Taber School Division; M. Holman, County of Wheatland. Mr. Stewart was spokesman for the group and gave the general report of the findings and made one or two recommendations for the consideration of the County School Committee. The individual superintendents gave reports on the schools which they had visited.

Councillors were very interested in the material which had been presented. Mr. McKay, chairman of the school committee, thanked the superintendents on behalf of the county, and noted that they had contributed a great deal of very valuable information and suggestions for the improvement of the elementary schools in the county. Mr. Hawkesworth, superintendent, also thanked the visiting superintendents and felt that the County of Vulcan had received very valuable advice and help. A delegation consisted of D. Johnson and D. Brown from Carmangay, interviewed the council in respect to the matter of the revision of the boundaries of the Village of Carmangay. It was noted that Highway 23 touched on the edge of the Village and it was impossible for the village to obtain provincial assistance to pave an access road into the village due to the fact that, technically, the highway touches on the village at the present time. It was noted that there is a considerable amount of vacant property in the village which prevented this access road. The delegation asked that the County of Vulcan cooperate with the village and approve the revision of the boundaries of the village by excluding the vacant property contained in a certain number of blocks and plans of subdivision. The council was sympathetic to the delegation, and it was moved and carried that the County of Vulcan approve the action of the village in the boundary revision, and suggested that the village cancel the subdivision, transfer the lands in question to the County of Vulcan, and that the county will recommend that the boundary revisions be made by the Local Authorities Board.

A letter from the Alberta Association of Municipal Districts was read. The letter dealt with the situation in respect to weed spray and insecticides. It was noted that the association desired that an effort be made to relieve the storage situation by ordering weed spray early and take delivery. It was moved and carried that the Service Board place an order for weed spray in accordance with the request from the association.

A letter from the Farmers' Union of Alberta, asking for a donation to the organization, was read. It was moved and carried that the county continue its assistance to the Farmers' Union of Alberta by sending out letters with the Tax Notice soliciting membership, and that the county office handle membership dues paid in and remit them to the office in Edmonton.

The council considered the School Committee's budget for the year 1964, and after considering the items carefully, it was recommended by Mr. McKay, chairman of the school committee, that certain changes in the figures be made, and it was moved and carried that the budget be approved as corrected. The secretary-treasurer reported in respect to the effort to establish a welfare officer area comprising the County of Vulcan, the Town of Vulcan and the Villages of Arrowwood, Milo, Lomond, Champion and Carmangay. Letters were read from the Town of Vulcan and the villages in response to letters sent earlier by the secretary of the County of Vulcan. It was noted that the Town of Vulcan Council had considered the matter and failed to adopt the plan. The villages had replied and generally speaking had been favorable to the idea. After discussing the matter, it was decided that the matter of the welfare officer be tabled until the next council meeting. Councillors considered the tentative agreement for the Agricultural Service Board for the 1964-'65. It was moved and carried that the agreement be approved. It was moved and carried that the county accept transfer, free from all encumbrances except taxes, from Mrs. Edith Brown, of Lot 11 Block 3, Queenstown. The secretary presented material for the information of the councillors on the procedure to be followed in expropriating lands for the purpose of a roadway. Councillors discussed the matter of obtaining a right-of-way through the N.W. 34-14-22-4 from Mrs. Gertude B. Scott for the purpose of building a road which would provide an access to the south side of the reservoir at Little Bow Park. Councillors considered at some length the matter of the recreation area request from the residents of Champion and district, and decided that it was necessary to obtain the wishes of the people before passing such a by-law.

By-law No. 432, a by-law to authorize the establishment of a recreational area and an agreement with the Village of Champion, was introduced and read a first time. It was moved and carried that the by-law pass its first reading. By-law No. 432 was read a second time. It was moved and carried that the By-law pass its second reading. The secretary-treasurer was instructed to advertise the by-law in two issues of the Vulcan Advocate and state in the advertisement that the by-law had been introduced in the council and unless 10% of the proprietary electors of the area included in the by-law petition the council to submit the by-law to a vote of the proprietary electors, the by-law would be read a third time at the meeting to be held on Friday, April 17, 1964, and that the council might proceed to pass the same.

Tired? Sluggish? Feel Better Fast

When you feel tired, sluggish, headachy, all dragged out—feel better fast with Carter's Little Liver Pills. Gentle, sure Carter's Little Liver Pills have been helping Canadians for well over 50 years.

Each tiny pill contains Carter's exclusive formula that has a very special action on your liver. This special action stimulates the flow of liver bile. Aids the functioning of your digestive system. Eases away that tired, upset, sluggish feeling. Helps you feel good again.

So the next time you feel tired, sluggish, headachy, take Carter's Little Liver Pills and feel better fast. Carter's Little Liver Pills, only 49¢.

A letter from the Farmers' Union of Alberta, asking for a donation to the organization, was read. It was moved and carried that the county continue its assistance to the Farmers' Union of Alberta by sending out letters with the Tax Notice soliciting membership, and that the county office handle membership dues paid in and remit them to the office in Edmonton.

The council considered the School Committee's budget for the year 1964, and after considering the items carefully, it was recommended by Mr. McKay, chairman of the school committee, that certain changes in the figures be made, and it was moved and carried that the budget be approved as corrected.

The secretary-treasurer reported in respect to the effort to establish a welfare officer area comprising the County of Vulcan, the Town of Vulcan and the Villages of Arrowwood, Milo, Lomond, Champion and Carmangay. Letters were read from the Town of Vulcan and the villages in response to letters sent earlier by the secretary of the County of Vulcan. It was noted that the Town of Vulcan Council had considered the matter and failed to adopt the plan. The villages had replied and generally speaking had been favorable to the idea. After discussing the matter, it was decided that the matter of the welfare officer be tabled until the next council meeting.

Councillors considered the tentative agreement for the Agricultural Service Board for the 1964-'65. It was moved and carried that the agreement be approved.

It was moved and carried that the county accept transfer, free from all encumbrances except taxes, from Mrs. Edith Brown, of Lot 11 Block 3, Queenstown.

The secretary presented material for the information of the councillors on the procedure to be followed in expropriating lands for the purpose of a roadway. Councillors discussed the matter of obtaining a right-of-way through the N.W. 34-14-22-4 from Mrs. Gertude B. Scott for the purpose of building a road which would provide an access to the south side of the reservoir at Little Bow Park.

Councillors considered at some length the matter of the recreation area request from the residents of Champion and district, and decided that it was necessary to obtain the wishes of the people before passing such a by-law.

Thanks Everyone!

Our community auction sale at Vulcan was a tremendous success and we are very grateful to all our friends of the town and district who made it possible.

Our special appreciation is expressed to auctioneers Commodore Allen, Wally Franks and Tom Ruggles; sales clerks Ernie Collette and Gordon and Iris Brown; all those who donated articles and all who attended the sale.

Thanks again!
